

IEEE 2018 Intl. Conf. on Big Data & Smart Computing January 15–17, 2018, Shanghai, China

Call for Sponsorship

Big data and smart computing are emerging research fields that have recently drawn much attention from computer science and information technology as well as from social sciences and other disciplines. The goal of the International Conference on Big Data and Smart Computing (BigComp), initiated by KIISE (Korean Institute of Information Scientists and Engineers), is to provide an international forum for exchanging ideas and information on current studies, challenges, research results, system developments, and practical experiences in these emerging fields. Following the successes of the previous BigComp conferences in Bangkok, Thailand (2014), Jeju, Korea (2015), Hong Kong, China (2016), Jeju, Korea (2017), and the 2018 International Conference on Big Data and Smart Computing (BigComp 2018) will be held in Shanghai, China. The conference is co-sponsored by IEEE and KIISE.
